

Name _____

How Do Angelfish Communicate?

Open-Ended Response Questions

1. Why do you think angelfish use visual displays like colors instead of sounds to communicate?
2. How do the communication methods of angelfish help them survive in their environments?
3. Imagine you are observing a group of angelfish. What might you notice about how they interact with each other?
4. How do you think angelfish behaviors would change if they couldn't use colors or movements to communicate?
