## The College Application Odyssey

### Open-Ended Response Questions

1. If you were to embark on your own college application journey, what dreams, challenges, and aspirations would you include in your story, and why?
2. How do you think discovering the box of documents related to their sibling's college application process affected the narrator's perspective on pursuing higher education and facing setbacks?
3. What challenges and opportunities might the narrator encounter as they create their own college application story, and how might they navigate them?
4. In your view, why is the college application process a valuable learning experience, and how can it contribute to personal growth and self-discovery?
