

Name _____

The Gigantic Gummy Bear Prank

Short Answer Key

1. The four friends in the story are Sam the Science Geek (who devised the plan), Lily the Laughter Queen (who prepared her camera), Max the Master of Disguise (who disguised himself as an astronaut), and Bella the Baker Extraordinaire (who baked a gummy bear helmet).
2. The townspeople's initial reaction was astonishment and gasps of surprise when they saw the gigantic gummy bear in the town square.
3. The prank went wrong when people started approaching the gummy bear, poking it with sticks, and eating it. The gummy bear disappeared quickly because everyone found it incredibly delicious.
4. The friends felt amused and realized that even when pranks went wrong, the most important thing was the laughter they brought to others.
5. Answers may vary, but students might say that the friends learned that the outcome of a prank doesn't always matter as long as it brings joy and laughter to people.
