## April Follies in Time Travel

### Short Answer Key

1. Timmy's original plan was to play an April Fool's prank on Napoleon Bonaparte. When he offered Napoleon an exploding confetti cookie, Napoleon's reaction led to unexpected consequences.
2. When Napoleon drank the tea with confetti in it, he transformed into a world-famous comedian, causing laughter and peace instead of wars.
3. Timmy decided to embrace the chaos he caused and joined Napoleon on his comedy tour. He learned that pranks could have unforeseen consequences but also realized the power of laughter to bring people together.
4. Napoleon's transformation into a comedian affected the world by promoting peace, uniting nations, and spreading laughter instead of warfare.
5. Answers may vary, but students can provide reasons for whether they think Timmy's prank was ultimately a success or a failure based on the story's events.
