

Name _____

Alien Invasion Antics

Open-Ended Response Answer Key

1. Answers may vary, but students can discuss whether the friends should have considered the potential consequences of their prank and taken steps to prevent misunderstandings.
2. Answers may vary, but students can suggest alternative ways the friends could have handled the situation, such as revealing the prank earlier or communicating with the enthusiasts more effectively.
3. Students can speculate on what the UFO enthusiasts learned from the experience, possibly realizing the importance of verifying information before reacting and finding humor even in unexpected situations.
4. Students can share their thoughts on how the friends and the town's residents felt about the unexpected turn of events and what lessons they might have learned, such as the value of community and the unpredictability of April Fool's Day pranks.
