## Archie's Wisdom

### Short Answer Key

1. Archie's house was filled with fossils and ancient objects, reflecting his love for history and wisdom.
2. Leo loved Stargirl's uniqueness but also wanted to fit in with his classmates, making him feel torn.
3. Archie compared Stargirl to a rare fossil because she was one of a kind and special, even if others didn't appreciate her.
4. After Stargirl left, Leo realized that Archie had been right—fitting in wasn't as important as being true to oneself.
5. Archie teaches that individuality should be valued and that being different is not a weakness but a strength.
