## The Nicomachean Ethics by Aristotle

### Short Answer

1. Explain Aristotle's concept of eudaimonia and why he considers it the ultimate goal of human life.
2. How does Aristotle distinguish between moral virtues and intellectual virtues, and how are they acquired?
3. Describe the "golden mean" and provide an example of a moral virtue that represents it.
4. What are the three types of friendship identified by Aristotle, and what distinguishes the highest form of friendship from the others?
5. In what way does Aristotle suggest that the state should promote moral and intellectual development?
