

Name _____

The Enchanted Art Studio

Short Answer Key

1. The Seaside Canvas was a quaint art studio in Seabreeze, known for possessing a magical easel that could bring paintings to life.
2. When Emma used the enchanted easel, her painting came to life, and she found herself on the beach she had painted.
3. Emma experienced the warmth of the sun, the gentle lapping of waves at her feet, the sand between her toes, and the salty breeze in her hair.
4. Emma felt that her artistic journey had only just begun after returning to the studio, and she had a renewed sense of inspiration and wonder.
5. Answers may vary. Students can speculate about the origins of the enchanted easel, such as a magical artist or a long-lost spell.
