## The Emotion Virus: A Return to Authenticity

### Open-Ended Response Questions

1. How might the return of genuine, uncontrolled emotions impact personal relationships, both positively and negatively, as depicted in the story?
2. Discuss the ethical implications of using technology to control emotions as described in the story. Are there any benefits to such control, or does it fundamentally alter the human experience?
3. In your opinion, should society adapt to the return of genuine emotions or seek to restore the emotion-control technology to maintain order? What factors should be considered in making this decision?
4. What lessons do you think society can learn from the events in the story about the importance of balancing control and authenticity in the human experience?
