

Name _____

Autocracy: One Ruler, One Voice

Open-Ended Response Questions

1. Reflect on the idea of limited political and civil liberties in autocracies. How might this impact the well-being and happiness of citizens, and what measures can be taken to address this issue?
2. Consider the role of autocratic rulers in making decisions. How might the lack of diverse perspectives and open debate influence the policies and governance of an autocracy?
3. In your opinion, can an autocracy strike a balance between efficiency and accountability in decision-making? Discuss potential measures that could achieve such a balance.
4. Explore the relationship between suppression of dissent and unity in autocracies. How might these tactics impact social cohesion, and what are the potential long-term consequences?
