

Name _____

The Enchanted Backpack

Open-Ended Response Questions

1. Explore the theme of friendship and unexpected allies in the story. How did Benny, the magical backpack, become not just a helpful companion but also a true friend to Lily? How did their bond evolve over time?
2. If you were Lily, how would you feel about having a magical, talking backpack? How might it change the way you approach challenges in your life, and how would you describe the significance of such a unique friendship?
3. Reflect on the idea of overcoming obstacles with assistance from unexpected sources. How did Benny's support help Lily overcome her nervousness and deliver a successful school speech? What lessons can be learned from their experience?
4. Imagine a day in the life of Benny, the magical backpack, when he is not assisting Lily. What adventures or magical encounters might he have, and how would he use his powers to help others?
