

Name _____

The Time-Traveling Backpack

Open-Ended Response Answer Key

1. Possible Answer: Alex may have decided to return to his own time and become a history teacher because he wanted to share the knowledge and experiences he gained during his time-traveling adventures with others, particularly his students.
2. Possible Answer: Alex's experiences with famous historical figures like Leonardo da Vinci may have inspired him, broadened his perspective, and deepened his appreciation for the contributions of great minds throughout history.
3. Possible Answer: Answers may vary, but some possible responsibilities and challenges could include the need to use time-traveling abilities wisely, avoid altering the course of history, and protect the knowledge of time travel from misuse.
4. Possible Answer: Answers may vary, but some might feel excited, curious, and a sense of responsibility, similar to how Alex felt when he discovered the time-traveling backpack.
