

Name _____

Bah, Humbug!

Open-Ended Response Answer Key

1. Scrooge may have believed celebrating Christmas was a waste of time because he valued money over relationships and did not understand the joy that comes from kindness and connection.
2. Scrooge's attitude toward Christmas shows that he views all relationships as unimportant, focusing only on profit and avoiding emotional connections with others.
3. The ghosts help Scrooge by showing him the consequences of his actions, helping him remember happier times, and revealing the love and joy that come from caring for others.
4. Scrooge's transformation can inspire people today to value kindness, appreciate the importance of holidays as a time for connection, and encourage generosity toward those in need.
