

Name _____

The Balancing Act

Short Answer Key

1. Alex faced challenges such as making choices between school and saving the city, keeping their tardiness a secret, and managing growing fatigue and suspicions from friends and family.
2. Alex's tardiness led to suspicions because they couldn't reveal the real reason for being late (saving the city with their powers), causing their friends and classmates to become curious about their frequent absences.
3. Alex confided in a friend to seek help and support in finding a better balance between their responsibilities. They realized that sharing their secret would lead to better time management and decision-making.
4. Alex learned important lessons about responsibility, time management, and the value of seeking help from others. They also discovered the significance of confiding in a friend and finding a healthier balance in their life.
5. Time manipulation helped Alex in their heroic act involving the meteor by allowing them to slow down time, giving them the opportunity to redirect the meteor away from the city's path, ultimately saving Metroville from disaster.
