

Name _____

The Dramatic Flourish of Baroque Art

Short Answer

1. Describe the concept of tenebrism in Baroque art and provide an example of a painting that uses this technique.
2. Explain the influence of the Catholic Counter-Reformation on the development of Baroque art.
3. Compare and contrast Italian Baroque and Dutch Baroque art, highlighting their distinctive characteristics and artists.
4. Discuss the role of opulence and grandeur in Baroque architecture, using an example such as the Versailles Palace.
5. Select one Baroque artist not mentioned in the examples and describe their contributions to the Baroque art movement.
