

Name _____

Magic on the Basketball Court

Open-Ended Response Answer Key

1. Mia, Ethan, Olivia, and Max likely felt amazed and excited when they discovered the magical powers of their basketballs because it turned their favorite game into something even more extraordinary.
2. The magical basketballs allowed the friends to perform incredible tricks, win tournaments, and become local heroes in their town.
3. The friends balanced competition and charity events by using their magical basketballs for both, showing that they valued not only winning but also giving back to their community.
4. The friends likely learned that true success comes not just from winning but from using their talents to make a positive impact on others and the importance of teamwork and friendship in achieving their goals.
