

Name _____

Battles & Breakthroughs

Open-Ended Response Answer Key

1. After winning Saratoga, the colonists likely felt hopeful and encouraged because they gained a powerful ally in France.
2. Valley Forge was important because it helped train and prepare the American army for future battles.
3. If France had not helped, the war might have lasted longer, or the British might have won.
4. The American Revolution teaches us that people should fight for their rights and never give up on their beliefs.
