The Teddy Bear Circus Extravaganza

Open-Ended Response Answer Key

1. Teddy the Ringmaster was the leader of the teddy bears and played a crucial role in overseeing the entire circus performance. He gathered the teddy bears for a pep talk before the shows, ensuring that everything ran smoothly.
2. One of the most impressive acts performed by the teddy bears was the acrobats, who soared through the air, somersaulting and creating breathtaking formations. It was amazing to watch their graceful moves as they flew through the air with precision.
3. The teddy bears probably felt proud, happy, and fulfilled when they heard the applause and saw the happy faces in the audience after their performance. They would have known that they had successfully entertained and brought joy to the audience.
4. If I were a teddy bear in the circus, I would like to be a tightrope walker because it would be thrilling to balance high above the ground and showcase my incredible balancing skills. It would also be a unique and exciting act that would captivate the audience.
