Name _____

Beetles: A Closer Look at Their Unique Features

Open-Ended Response Questions

1. Why do you think beetles have so many different shapes, colors, and patterns?

2. Imagine you are describing a beetle to someone who has never seen one. What details would you share?

3. How do you think the special features of beetles, like their horns or light, help them in their environment?

4. If you could design your own beetle, what would it look like, and what special features would it have?
