

Name _____

Komodo Dragon Daily Habits and Behaviors

Open-Ended Response Answer Key

1. Their daily habits, like basking in the sun and hunting during the day, help them stay warm and find food.
2. They need sunlight to warm their bodies since they are cold-blooded.
3. Although solitary, they gather when food is plentiful, but larger dragons dominate.
4. Their powerful tails, sharp teeth, and keen sense of smell make them effective hunters.
