## Love Beyond Class

### Open-Ended Response Answer Key

1. Lord Alexander may have fallen in love with Amelia because of her beauty, grace, and kind-hearted nature. He may have been drawn to her authenticity and genuine personality, which contrasted with the superficiality of aristocratic society.
2. Lord Alexander and Amelia's determination to be together reflected the theme of love conquering all obstacles by showing that they were willing to face societal judgment, family opposition, and personal challenges to be with each other.
3. Lord Alexander and Amelia challenged societal norms by defying class boundaries and showing that love could bridge the gap between aristocracy and commoners. Their love story conveys the message that love should be based on genuine connection and not limited by social status.
4. Lord Alexander and Amelia's love story symbolized the idea that true love knows no boundaries, as they refused to let societal norms dictate their relationship. Their love inspired others to follow their hearts and be true to their feelings, regardless of social constraints.
