

Name _____

Biometric Espionage

Open-Ended Response Questions

1. Discuss the role of advanced technology in the world of espionage, as depicted in "Biometric Espionage." How does it shape the tactics and challenges faced by agents like Maya and Ethan?
2. Explore the theme of rivalry in the story, focusing on the competition between Agent Maya and Agent Phoenix. How does their rivalry drive the plot and create tension?
3. Reflect on the concept of identity and the importance of biometric data in the story. How does the manipulation of identities add complexity to the espionage drama?
4. Imagine an alternate ending to the story where Maya and Ethan fail to secure the biometric technology. How might that ending change the course of the narrative and its implications for the future?
