

Name _____

The Enchanted Bookshop

Open-Ended Response Answer Key

1. The name suggests that the bookshop is not just a place to buy books but a magical place where stories come to life, as seen in the story.
2. It reflects metafiction by acknowledging the role of the reader in shaping the story and blurring the line between fiction and reality.
3. Alex likely felt a mix of excitement and responsibility because their choices had a direct impact on the story's outcome, which can be both thrilling and daunting.
4. It challenges traditional storytelling by making the reader an active participant in the story, allowing them to influence the plot and explore the concept of self-aware characters.
