

Name _____

The Brave Participants and Leaders of the Boston Tea Party

Short Answer Key

1. The Sons of Liberty were a secret organization of American colonists who aimed to oppose British taxation and assert their rights during the colonial period.
2. Samuel Adams and John Hancock were prominent leaders of the Sons of Liberty who played significant roles in organizing and leading the Boston Tea Party. Adams used his persuasive skills to rally support, while Hancock provided financial support and resources.
3. The Boston Tea Party was a well-organized event, carefully planned and executed by the Sons of Liberty. It was not a spontaneous act of rebellion, as it required coordination and discretion.
4. The use of Mohawk Indian disguises during the Boston Tea Party helped conceal the participants' identities, reducing the risk of retaliation by British authorities. It also sent a symbolic message that the protest was a collective act of resistance.
5. The Boston Tea Party had a significant impact on American history by intensifying the conflict between the American colonies and Britain, ultimately leading to the American Revolution and the pursuit of independence.
