## Brave Women

### Short Answer Key

1. There were many injured soldiers, and the army needed help caring for them.
2. Women used codes, hid notes in their clothing, or passed messages through letters.
3. They ran farms, worked in factories, or sewed uniforms.
4. Harriet Tubman was a former enslaved person who became a Union spy and helped free others.
5. They wanted to fight, but women were not allowed to join the army.
