

Name _____

Brushes of Destiny

Open-Ended Response Answer Key

1. Alex struggled with the decision because they wanted to pursue their dreams as an artist, but they also felt responsible for their ailing sibling, Lily, and didn't want to leave her alone.
2. Alex learned that family is more important than fame and dreams. They realized that taking care of Lily was their true priority.
3. Answers may vary, but some might say they would have made the same decision to save their sibling's life, while others might prioritize their dreams and fame.
4. The title, "Brushes of Destiny," relates to the plot because it highlights the choices Alex had to make in their artistic journey and how destiny played a role in their decision-making.
