## Exploring the World of Building Inspectors

### Open-Ended Response Questions

1. Imagine you are a Building Inspector. Can you think of a situation where your keen eye for detail would be especially important during an inspection?
2. How do Building Inspectors contribute to the safety of buildings and the well-being of the people who use them?
3. What advice would you give to someone who is interested in pursuing a career as a Building Inspector?
4. Can you think of a real-life example where a Building Inspector's work prevented a potential disaster or made a building safer for its occupants?
