The Magical School Bus Adventures

Open-Ended Response Answer Key

1. Possible Answer: Answers will vary, but students might choose to visit a specific historical event, explore a distant planet, or travel to a unique ecosystem. They may describe the knowledge they hope to gain or the experiences they wish to have during their adventure.
2. Possible Answer: The most valuable lesson the students learned is likely the joy of curiosity and exploration. This lesson can impact their lives by inspiring a lifelong love of learning and a belief that the world is an endless source of wonder, encouraging them to ask questions, seek knowledge, and embrace new experiences.
