Name _____

Beyond Beauty: The Purpose of Butterfly Wings

Open-Ended Response Questions

1. Discuss the importance of camouflage in butterfly survival, and provide an example of a butterfly species that uses camouflage to evade predators.

2. Imagine you are a female butterfly evaluating potential mates. Describe the characteristics of male wings that might attract your attention during courtship.

3. Reflect on the significance of warning colors in butterfly wings and their role in predator-prey interactions.

4. How might climate change affect the coloration and function of butterfly wings, and what implications could this have for butterfly populations?
