## Butterfly Changes

### Open-Ended Response Questions

1. If you were Eckels, what would you have done differently when the T. rex approached?
2. Do you think Eckels was fully to blame for the changes in the future? Why or why not?
3. Can you think of a time when a small action or decision in your own life had a big impact? Explain.
4. How does this story make you think about being careful with your choices in everyday life?
