## CSI In My Backyard

### Short Answer Questions Answers

1. Alex decided to investigate his backyard like a detective because he had watched detective shows on TV and was curious.
2. When Alex opened the shed's door, he discovered a group of squirrels with chocolate chip mustaches.
3. Alex solved the mystery of the missing cookies by finding the cookies in the shed with the squirrels and scaring them away.
4. Alex planned to leave some cookies out for the backyard critters in a designated spot in the yard to prevent future cookie theft.
