

Name _____

Classic Caesar Salad Delight

Short Answer

1. What should you do if you want to include anchovy fillets in your Caesar salad dressing?
2. How do you know when the lettuce is evenly coated with the dressing?
3. What's the purpose of drizzling olive oil over the lettuce before adding the dressing?
4. Can you suggest some optional additions to a Caesar salad to make it a complete meal?
5. Why is it important to toss the salad gently when mixing the dressing with the lettuce?
