

Name _____

Sports and Recreation in Canada

Short Answer Key

1. Ice hockey (winter sport) and lacrosse (summer sport).
2. Hockey is popular because Canada has long, cold winters, and many people grow up playing on frozen lakes and indoor ice rinks.
3. They use special brooms to sweep the ice and control the movement of the stone.
4. Alpine skiing (downhill skiing) and cross-country skiing.
5. Lacrosse is played with a small rubber ball and a stick with a net at the end.
