## Sports and Recreation in Canada

### Open-Ended Response Answer Key

1. I would like to try ice hockey because I enjoy fast-moving sports, and it looks exciting to skate and score goals.
2. Canada's cold climate makes winter sports like hockey, curling, and skiing very popular because there is so much snow and ice.
3. Hockey players need to be good at skating, handling the puck, and working with teammates to score goals.
4. Teamwork is important in sports like curling and hockey because players need to communicate and work together to win.
