## Art and Literature in Canada

### Open-Ended Response Answer Key

1. I would like to meet Drake because I enjoy his music, and I would love to learn about how he became a famous rapper.
2. Books, music, and paintings help people understand different cultures because they show how people live, think, and express their ideas.
3. Nature was important for the Group of Seven because Canada has beautiful landscapes, and they wanted to show its beauty through art.
4. Canadian musicians influence the world by creating new music styles, inspiring other artists, and performing in different countries.
