## Candy Store

One sunny day, Timmy went to the candy store with his piggy bank. He had saved up a whole bunch of coins, and he knew exactly what he wanted - lollipops! Timmy picked out lollipops in all colors of the rainbow and even some with funny faces on them.

He couldn't wait to enjoy them. But when he got home, he discovered that the lollipops were magical. They made him tell silly jokes every time he took a lick, and soon, everyone in the neighborhood was laughing along with Timmy's jokes.
