## Capturing Creativity

### Open-Ended Response Questions

1. Explain the connection between creative passions and photography as depicted in the Haiku.
2. Describe a situation or moment in your life when you felt like you wanted to capture it through photography. Why was that moment important to you?
3. How do you think photography can help people appreciate the beauty in everyday life, as suggested by the Haiku?
4. In your opinion, why might some people prefer to capture moments through photography rather than other forms of art, like painting or writing?
