

Name _____

The Curse of the Midnight Carnival

Short Answer Key

1. The friends felt a strange energy in the air, and they felt like they were being watched.
2. The ghostly figures wanted the friends to solve a series of riddles scattered throughout the carnival.
3. The friends discovered that Malachi was a mysterious magician associated with the carnival.
4. The consequence of failing to break the curse was being trapped in the carnival forever.
5. The friends broke the curse by solving the last riddle, which lifted the curse and returned the carnival to its dormant state.
