## Cat Chaos

### Short Answer Key

1. The Cat changes the mood by bringing excitement and fun to a boring, rainy day.
2. They feel nervous because the house is a mess, and they worry about their mother's reaction.
3. Thing 1 and Thing 2 add to the chaos by creating even more mess in the house.
4. The Cat teaches the siblings that it's important to balance fun with responsibility.
5. They work with the Cat to clean up the house before their mother comes home.
