

Name _____

Survivors of the Cataclysm

Open-Ended Response Answer Key

1. The survivors likely decide to venture forth and face the challenges of their new world because they have hope and a will to survive. They understand that giving up is not an option, and they believe that by working together, they can overcome adversity.
2. Challenges and obstacles the survivors might have encountered include scarcity of resources, harsh environmental conditions, the need to defend against other survivors, and the emotional toll of witnessing the destruction of their world.
3. The poem emphasizes the importance of unity and strength in overcoming adversity by showing that when the survivors work together and support one another, they can rebuild and thrive. Unity and strength are essential for their survival and for building a better future.
4. The message we can take away from the poem is that humanity has the resilience and determination to rebuild and thrive even in the face of catastrophic events. It highlights the indomitable spirit of human beings and their ability to adapt and persevere.
