Fashion Stars: The Unveiling of Celebrity Judge

Open-Ended Response Questions

1. Imagine you were a contestant in the Creative Kids Fashion Design Contest. What theme would you choose for your fashion collection, and why?
2. Reflect on the importance of sustainability in fashion. Why do you think it's essential for young designers to create outfits using recycled materials?
3. Consider the impact of Stella Starling's presence on the contestants. How do you think her expertise and praise affected the young designers and their confidence?
4. If you were one of the four friends, which recycled material would you choose to create your fashion design, and how would you use it to reflect the theme of sustainability?
