

Name _____

Can the Bill of Rights Be Changed or Amended?

Short Answer

1. Describe the two methods by which an amendment to the Constitution can be proposed.
2. What is the purpose of the ratification step in the amendment process?
3. Why is amending the Bill of Rights a rare occurrence in U.S. history?
4. Provide an example of a significant historical amendment to the Constitution and its impact on American society.
5. Explain why the protection of rights is a fundamental aspect of American democracy.
