

Name _____

Rebellion's Last Stand: Chapters 15-18 of '1984'

Short Answer Key

1. In their reunion in Chapter 16, Winston and Julia are filled with emptiness and indifference. They no longer share the bond of rebellion and love that once united them, highlighting the Party's success in destroying their individuality.
2. The childhood memory of stealing chocolate in Chapter 17 relates to Winston's understanding of the Party's control over truth. It represents the arbitrary nature of the Party's reality, where even innocent childhood memories can be manipulated and used as tools of control.
3. Winston's complete submission to the Party in the concluding chapter marks his transformation from a rebellious individual to a loyal Party member. He gazes lovingly at a portrait of Big Brother, fully embracing the Party's ideology. This moment signifies his utter defeat.
4. Winston's gaze at a portrait of Big Brother in the final chapter symbolizes his complete submission to the Party's ideology. It represents his acceptance of Big Brother as the ultimate authority and the Party's control over his thoughts and emotions.
5. "1984" serves as a cautionary tale about the dangers of totalitarianism and the erosion of personal freedom. Winston's journey from rebellion to submission illustrates the devastating consequences of living under an oppressive regime.
