

Name _____

Cheesy Macaroni Magic

Short Answer

1. What do you do after draining the cooked macaroni in a colander?
2. How do you know when the cheese sauce is ready in the saucepan?
3. Besides salt and black pepper, what other seasoning can you add to your macaroni and cheese for extra flavor?
4. Why is it important to let the macaroni and cheese cool for a few minutes before serving?
5. Can you suggest some optional toppings or mix-ins for your macaroni and cheese?
