

Name _____

Social Media Chronicles

Short Answer Key

1. Social media can disrupt work-life balance by making it challenging to disconnect from screens and notifications, even before bedtime.
2. The hashtag #Equality represents the poem's message of promoting social justice and inclusivity.
3. The poem highlights the importance of addressing climate change through hashtags like #SaveOurPlanet, emphasizing the role of social media in raising awareness.
4. The poem portrays self-care as a means of finding solace and moments of relaxation in a digitally connected world.
5. The line "Amidst likes and comments, our online trade" suggests that social media involves the exchange of digital interactions and engagement.
