Name _____

The Chronicles of Time

Short Answer

1. Describe the first historical event Emily rewrote using the magical book and what she experienced during that event.

2. How did Emily's understanding of history change as she continued to rewrite it? What lessons did she learn about the power and responsibility that came with it?

3. Discuss a specific consequence of Emily's actions when rewriting history. How did a change she made lead to unexpected outcomes?

4. Describe the moral dilemma Emily faced when she met Isabella. What decision did she make, and why?

5. What final choice did Emily make regarding the magical book, and what message did she leave within its pages?
