

Name _____

The Chrono-Ship

Open-Ended Response Questions

1. Imagine you could go on a time and space adventure with your friends. Where and when would you want to go, and why?
2. What do you think is the most important thing the kids learned during their adventure, and how could you apply that lesson to your own life?
3. If you had the power to travel through time and space, how do you think it would impact your understanding of history and different cultures?
4. Describe a character from the story and explain how they contributed to the success of the adventure.
