

Name _____

Circus Spectacular!

Short Answer Key

1. A tightrope walker's special skill is balancing on a thin rope high above the ground.
2. Clowns make people laugh by telling jokes, performing silly tricks, squirting water from flowers, and wearing funny costumes.
3. Trainers work with animals such as lions, tigers, and elephants in the circus.
4. Jugglers toss and catch objects like bowling pins, rings, and fiery torches.
5. The most thrilling act in the circus can vary from person to person, but some may find acrobats or tightrope walkers to be the most thrilling.
