Open-Ended Response Answer Key

1. Answers may vary. (e.g., I would like to be an acrobat because I love performing flips and twists, and I think it would be exciting to swing from a trapeze.)
2. Answers may vary. (e.g., I would perform a trick where I juggle three flaming torches and then toss them high in the air and catch them one by one without getting burned.)
3. Circus acts wear colorful costumes and perform gracefully to entertain the audience and create a magical atmosphere. The costumes make them look extraordinary, and their graceful movements add to the excitement and beauty of their performances.
4. Answers may vary. (e.g., My favorite part of the circus is watching the animals perform because I love seeing how strong and smart they are, and it makes me happy to see them doing tricks.)
