

Name _____

The Lost City of Atlantis

Open-Ended Response Answer Key

1. Lily's curiosity and fascination with Atlantis led her to embark on the underwater adventure by driving her to follow the clues in the message she found; her determination and adventurous spirit propelled the story forward as she faced and overcame numerous challenges alongside Captain Jake.
2. Atlantis served as the central element of the adventure by providing the ultimate goal for Lily and Captain Jake's quest, deeply impacting them by revealing the city's advanced wisdom and knowledge, which inspired them to share these discoveries with the world to promote harmony and understanding.
3. Throughout the journey, Lily evolved from a curious teenager into a hero with a mission as she gained courage, wisdom, and a sense of purpose, ultimately deciding to share the knowledge of Atlantis to foster global understanding and cooperation.
4. The theme of knowledge and understanding is central to the story as it underscores the importance of wisdom over material riches; the author included this theme to highlight the transformative power of discovery and learning, as evidenced by Lily and Captain Jake's experiences and their decision to promote these values after finding Atlantis.
